Humana Medicaid

Our commitment to Medicaid

We understand the impact our health plan has on the lives of our members, their families and their communities. It is a privilege we embrace as a trusted Medicaid partner for the last 30 years.

We take this honor and responsibility seriously

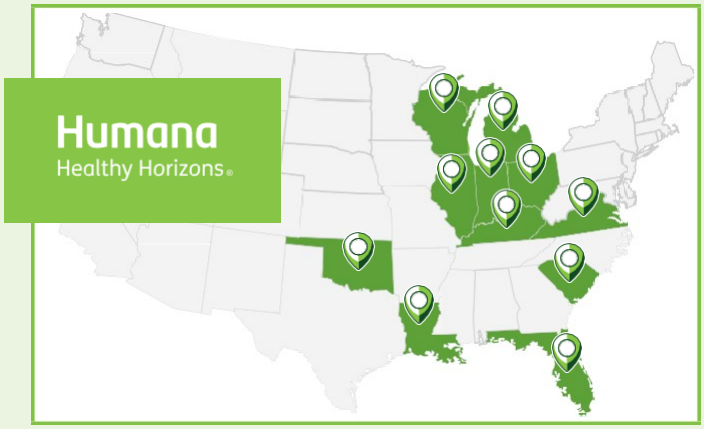
We are ready and eager to partner with states, providers and the communities they serve to create a new chapter in Medicaid—advancing accessibility, innovation and simplification. Through our clinical expertise and comprehensive resources—including in-home care, behavioral health, pharmacy services, data analytics and wellness solutions—we streamline the member experience to make healthcare easier to navigate and more effective.

Our presence

Humana offers Medicaid plans in 11 states with person-centered Medicaid plans serving diverse populations, including:

- Children
- Parents
- Older adults
- Members who have physical, intellectual and developmental disabilities
- Members who need long-term services and supports

In the 2025 National Committee for Quality Assurance (NCQA) Health Plan Ratings, Humana was the top-rated Medicaid plan in Kentucky, Louisiana, Ohio and South Carolina.



Our culture

Humana's values—caring, curious and committed—drive our commitment to members and their desire to be valued, respected and understood.

Humana values

Caring **Curious** **Committed**

"I can't tell you enough how much the Humana team has transformed my life and how much I appreciate it... I am a human being again. I can pursue the things that I want to do. And it's freedom, that's what it is. I call it being back in the world. And I am. Here I am... I can't imagine my team doing much better."
